

## AFGW NSW City Branch Presentation Ceremony

Trudi Burnell (pictured here with family) was the St George TAFE recipient of the City Branch TAFE Tertiary Preparation Course Award for Academic Merit. After time in hospitality, life in Morocco, two children and with a very supportive Mother, Trudi topped the course at St George TAFE and is studying for a Bachelor in Adult education at Charles Sturt University.

With President Virginia Ross

Consolee (Coco) Byosimana was the Bankstown recipient of the City Branch TAFE Tertiary Preparation Course Award for Academic Merit. Coco overcame transition from Rwanda via Uganda, loss of many of her family and a lack of confidence in her academic ability, to then progress through Bankstown TAFE to top the year in some subjects and gained a place at UWS to study for a Bachelor of Nursing.

The AFGW NSW wishes both deserving students great success and fulfilment in their future studies.
